Did you know that your insurance company makes yearly donations to local Fire Departments as part of your home owner's premium? Please contact your home owners insurance company and make sure your policy includes "Ingram Borough" in the address as well as "Pittsburgh Pa, 15205." That insures that your part of the donation comes to your Fire Department.

The Ingram Firemen want to thank all the citizens of Ingram Borough for their continued support and contributions.

This helps maintain and support a sound Fire Department.
