Excited about Ingram's future?

Stop by the C-I Thrive booth!

Involved citizens in Ingram and Crafton are working with borough officials to improve our communities in four areas. Stop by the Crafton-

Ingram Thrive booth Saturday July 16, 5-9 p.m. to learn more or to volunteer to help on future projects.

And visit CIThrive.wordpress.com anytime to read about the plan, see the events calendar or offer a comment.

**Stop by the
 Neighborhood
 Watch Booth**

Neighborhood Watch is one of the oldest and most effective community safety aids. Group watches bring citizens together with law enforcement and public safety personnel to deter crime and help ensure a safer community.

Visit us at Ingram Days and learn about this important initiative, how to become a part of a watch group, or take-away some useful safety tips and instruction.
